(Rupees Sixty Thousand Only) plus taxes as applicable and reimbursement of actual travel and other out of pocket expenses to be paid to the Cost Auditors of the Company for Financial Year 2019-20 as approved by the Board of Director of the Company be and is hereby ratified."

BY ORDER OF THE BOARD OF DIRECTORS

ANANT VATS (COMPANY SECRETARY)

PLACE : NEW DELHI DATED :8[™]AUGUST, 2019

NOTES:

- 1. A member entitled to attend and vote at the above meeting may appoint one or more Proxies to attend and vote on poll instead of himself / herself. The Proxy need not be a member of the Company. Proxy to be valid, shall be deposited with the Company not later than forty eight hours before the time for holding the meeting. A person can act as proxy on behalf of members not exceeding (50) and holding in the aggregate not more than ten percent of the total share capital of the Company. A member holding more than ten percent of the total share capital of the Company carrying voting rights may appoint a single person as proxy, however such person shall not act as proxy for any other person or shareholder.
- 2. Corporate members intending to send their authorized representatives to attend the meeting are requested to send a duly certified copy of the Board resolution authorizing their representative to attend and vote on their behalf at the Meeting.
- 3. The explanatory statement to the special business is attached in accordance with the provisions of section 102 of the Companies Act, 2013.
- 4. The Register of Members and the Share Transfer Books of the Company shall remain closed from 21st Day of September, 2019 to 27th Day of September, 2019 (both days Inclusive).
- 5. Members holding shares in electronic mode are requested to intimate any change in their address to their Depository Participant(s). Members holding shares in Physical form are requested to advice any change in their address immediately to the Company/Registrar and Share Transfer agent.
- 6. Members / Proxies are requested to bring copy of the Annual Report and attendance slip to the meeting.
- 7. Electronic copy of the Annual Report for 2018-19 containing the notice of Annual General Meeting, attendance slip, proxy form of the Company is being sent to all the members whose email IDs are registered with the Company / Depository Participant(s) for communication purpose unless any member has requested for a hard copy of the same. For members who have not registered their email address, physical copies of the Annual Report along with the notice of Annual General Meeting, attendance slip, proxy form of the Company are being sent in the permitted mode.
- 8. SEBI has mandated submission of Permanent Account Number (PAN) by every participant in securities market. In view thereof, members who have not furnished PAN are requested to furnish the same as under:
 a. Mambers bedding shares in electronic form have to submit PAN to their Depository Participant.

a. Members holding shares in electronic form have to submit PAN to their Depository Participant. b. Members holding shares in physical form have to submit PAN to the Registrar and Transfer Agent.

9. Pursuant to Section 72 of the Act read with the Companies (Share Capital and Debentures) Rules, 2014, members are entitles to make nominations and they can send the nominations in Form SH-13 in duplicate to the Registrar and Transfer Agent of the Company.

10. VOTING THROUGH ELECTRONIC MEANS

In terms of Regulation 44(1) of SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 and compliance to the Rule 20 of the Companies (Management and Administration) Rules, 2014 or amendments made thereto, the Company is pleased to offer Remote e-voting facility besides physical ballot, for its members at the Annual General Meeting which will enable them to cast their votes electronically and to pass the resolutions.

Shri Prashant Kumar Balodia, Partner of PDS & Co., Practicing Company Secretaries, Delhi, has been appointed as the scrutinizer to scrutinize the e-voting process in a fair and transparent manner.

Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.

For this purpose, the Company has appointed M/s CDSL as a Remote e-voting platform for facilitating its members to vote electronically.

The instructions for shareholders voting electronically are as under:

- (i) The Remote e-voting period begins on 24th Day of September, 2019 (9:00 a.m.) and ends on 26th September, 2019 (5:00 p.m.) During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (specified date) of 20th September, 2019, may cast their vote electronically. The Remote e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) The shareholders should log on to the Remote e-voting website www.evotingindia.com.
- (iii) Click on Shareholders.
- (iv) Now Enter your User ID
 - a. For CDSL: 16 digits beneficiary ID,
 - b. For NSDL: 8 Character DP ID followed by 8 Digits Client ID,
 - c. Members holding shares in Physical Form should enter Folio Number registered with the Company.
- (v) Next enter the Image Verification as displayed and Click on Login.
- (vi) If you are holding shares in demat form and had logged on to www.evotingindia.com and voted on an

earlier voting of any company, then your existing password is to be used.

(vii) If you are a first time user follow the steps given below:

For Members ho	olding shares in Demat Form and Physical Form
PAN	Enter your 10 digit alpha-numeric *PAN issued by Income Tax Department (Applicable for both demat shareholders as well as physical shareholders) Members who have not updated their PAN with the Company/Depository Participant are requested to use the sequence number which is printed on Postal Ballot/Attendance Slip/Address Label indicated in the PAN field.
Dividend Bank Details OR Date of Birth (DOB)	Enter the Dividend Bank Details or Date of Birth (in dd/mm/yyyy format) as recorded in your demat account or in the company records in order to login. If both the details are not recorded with the depository or company please enter the member id / folio number in the Dividend Bank details field as mentioned in instruction (v).

(viii) After entering these details appropriately, click on "SUBMIT" tab.

- (ix) Members holding shares in physical form will then directly reach the Company selection screen. However, members holding shares in demat form will now reach 'Password Creation' menu wherein they are required to mandatorily enter their login password in the new password field. Kindly note that this password is to be also used by the demat holders for voting for resolutions of any other company on which they are eligible to vote, provided that company opts for e-voting through CDSL platform. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.
- (x) For Members holding shares in physical form, the details can be used only for e-voting on the resolutions contained in this Notice.
- (xi) Click on the EVSN for the relevant <Company Name> on which you choose to vote i.e. Mohit Paper Mills Limited.
- (xii) On the voting page, you will see "RESOLUTION DESCRIPTION" and against the same the option "YES/NO" for voting. Select the option YES or NO as desired. The option YES implies that you assent to the Resolution and option NO implies that you dissent to the Resolution.

- (xiii) Click on the "RESOLUTIONS FILE LINK" if you wish to view the entire Resolution details.
- (xiv) After selecting the resolution you have decided to vote on, click on "SUBMIT". A confirmation box will be displayed. If you wish to confirm your vote, click on "OK", else to change your vote, click on "CANCEL" and accordingly modify your vote.
- (xv) Once you "CONFIRM" your vote on the resolution, you will not be allowed to modify your vote.
- (xvi) You can also take out print of the voting done by you by clicking on "Click here to print" option on the Voting page.
- (xvii) If demat account holder has forgotten the changed password then Enter the User ID and the image verification code and click on Forgot Password & enter the details as prompted by the system.
- (xviii)Shareholders can also cast their vote using CDSL's mobile app m-Voting available for android based mobiles. The m-Voting app can be downloaded from Google Play Store, Apple and Windows phone. Please follow the instructions as prompted by the mobile app while voting on your mobile.

(xix) Note for Non – Individual Shareholders and Custodians:

- Non-Individual shareholders (i.e. other than Individuals, HUF, NRI etc.) and Custodian are required to
 log on to <u>www.evotingindia.com</u> and register themselves as Corporates.
- A scanned copy of the Registration Form bearing the stamp and sign of the entity should be emailed to helpdesk.evoting@cdslindia.com.
- After receiving the login details a compliance user should be created using the admin login and password. The Compliance user would be able to link the account(s) for which they wish to vote on.
- The list of accounts linked in the login should be mailed to helpdesk.evoting@cdslindia.com and on approval of the accounts they would be able to cast their vote.
- A scanned copy of the Board Resolution and Power of Attorney (POA) which they have issued in favor of the Custodian, if any, should be uploaded in PDF format in the system for the scrutinizer to verify the same.
- (xx) In case you have any queries or issues regarding e-voting, you may refer the Frequently Asked Questions ("FAQs") and e-voting manual available at www.evotingindia.com, under help section or write an email to helpdesk.evoting@cdslindia.com

ANNEXURE (E) - Whistleblower policy

As part of our corporate governance practices, the Company has adopted the Whistle Blower Policy that covers our directors and employees. The policy is provided herewith:

The purpose of the Policy

This policy is framed so that Company can adhere with the highest level of ethics and Code of Conduct, and particularly to assure that business is conducted with integrity. The Company wants to maintain a workplace that facilitates the reporting of potential violations of Company policies or applicable laws. Employees must be able to raise concerns regarding such potential violations easily.

Your duty to report

Everyone is required to report to the Company any suspected violations of any law that applies to the Company and any suspected violation of the Company's Code of Conduct and Ethics. This includes possible accounting or financial violations, insider trading, bribery, fraud, malpractice, wrongful conduct.

How to report

You must report all suspected violations to (i) your immediate supervisor; (ii) Chief Compliance Officer; (iii) Chief Financial Officer

If you have reason to suspect that the above person may be involved in the suspected violation, your report may be made to the

Audit Committee of Mohit Paper Mills Limited at Chairperson, Audit Committee, 15A/13, Upper Ground Floor, East Patel Nagar, New Delhi-110008.

Investigation after you report

All reports under this policy will be promptly and appropriately investigated, and all information disclosed during the course of the investigation will remain confidential. Everyone working for the Company should cooperate and provide information with respect to that investigation otherwise it will become the basis of disciplinary action. After investigation Company will take appropriate action against accused upto and including termination.

Retaliation is not tolerated

The person who retaliates against reporting employees may also be subject to civil, criminal and administrative penalties.

Modification

The audit committee or the Board of Directors of Mohit Paper Mills Limited can modify this policy from time to time.

ANNEXURE (F) - Nomination and remuneration policy

The nomination and remuneration policy is provided herewith pursuant to Section 178(4) of the Companies Act, and SEBI (LODR) Regulations, 2015.

The Company considers human resource as its invaluable assets. This policy is formulated in terms of the provisions of Companies Act, 2013.

Objective of the Policy

The objective of the policy is to formulate the criteria for determining qualifications, competencies, positive attributes and independence for the appointment of a director and recommend to the Board policies relating to the remuneration of directors/KMP's other employees.

Constitution of the nomination and remuneration committee

The Board has constituted the nomination and remuneration committee of the Board in line with the requirements of the Companies Act, 2013.

Board has the authority to reconstitute this committee from time to time.

This committee recommends to the Board the following matters

1. Periodically review the size and composition of the Board to ensure that it is structured to make right decisions, in the best interests of the Company.

2. Formulate the criteria for determining qualifications, positive attributes and independence of director and recommends the new directors having regard to the range of skills and expertise on the Board.

3. Made recommendations to the Board on appropriate performance criteria for the directors.

4. The committee is responsible for reviewing and making recommendations to the Board on:

-the remuneration of the managing director, whole- time directors and KMPs;

-the remuneration policies for other employees in the best interest of the Company and the employee.

Appointment and Remuneration of Managing Director /Whole Time Director

The committee shall identify ascertain the integrity, qualification and expertise of the person for appointment as director and recommends the same to the Board.

The Company shall not appoint or re-appoint any managing director and whole time director for a term not exceeding five years at a time.

The remuneration to be paid to the Managing Directors and Whole-Time Directors shall be in accordance with the provisions of the Companies Act, 2013 and the rules made there under. Increments to the existing remuneration will be recommended by the committee to the Board which should be within the limits approved by the shareholders.

They shall be removed and retired as per the applicable provisions of the Companies Act, 2013 and the prevailing policy of the Company.

If in any financial year, the Company has no profits or its profits are inadequate, the Company shall pay remuneration to its managing director in accordance with the provisions of schedule V of the Companies Act, 2013 or, if it is unable to comply with such provisions, with the prior approval of the Central Government.

Remuneration to non executive/independent director

The remuneration payable to each in-executive director is based on the remuneration structure as determined by the Board and per the provisions of the Companies Act, 2013.

Remuneration of KMPs and other employees

The Committee shall determine the guidelines for the remuneration payable to the employees. An employee pay will be paid remuneration depending on his qualification, skills, expertise and experience and the increment will be based on his performance. The objective is to set the total remuneration at levels that would attract, motivate and retain the talent.

Policy Review

This policy is framed based on the provisions of the Companies Act, 2013 and rules there-under and requirements of SEBI (LODR) Regulation, 2015 and before that Clause 49 of the listing agreement with the stock exchange. Any change or modification in the policy as recommended by the committee would be given for approval to the Board.

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED MARCH 31, 2019 [Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To The Members, **MOHIT PAPER MILLS LIMITED** 15A/13 Upper Ground Floor, East Patel Nagar, New Delhi – 110008

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Mohit Paper Mills Limited** (hereinafter called 'the Company'). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, We hereby report that in our opinion, the company has, during the audit period covering the financial year ended **March 31, 2019** complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-

mechanism in place to the extent, in the manner and subject to the reporting made hereinafter: We have examined the books, papers, minutes' books, forms and returns filed and other records maintained by the Company for the financial year ended on **March 31, 2019** according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') to the extent applicable during audit period:-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;

- (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015
- (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009; (Not applicable to the Company during the audit period)
- (d) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014;
 (Not applicable to the Company during the audit period)
- (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
 (Not applicable to the Company during the audit period)
- (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client to the extent of securities issued;
- (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009;

(Not applicable to the Company during the audit period)

(h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998;

(Not applicable to the Company during the audit period)

(vi) As Confirmed and Certified by the management, there is no Sectoral law specifically applicable to the Company.

We have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India with respect to board and general meetings.
- (ii) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above except to the extent as mentioned below:

(i) The Company has received a Letter no. LIST/COMP/Reg. 27(2) & Reg. 17 to 21/ Sep -18/530169/960/2018-19 from BSE Limited dated October 31, 2018 w.r.t non compliances of regulation 17(1) and Regulation 19(1)/(2) of SEBI (LODR) Regulation 2015 regarding non compliances with requirement

pertaining to the composition of the board including failure to appoint woman director and non-compliances with constitution of the Nomination and Remuneration committee respectively.

We further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act. Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting. All decisions at Board Meetings and Committee Meetings are carried out unanimously as recorded in the minutes of the meetings of the Board of Directors or Committee of the Board, as the case may be.

We further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

PRACTICING COMPANY SECRETARY'S CERTIFICATE

The the members of Mohit Paper Mills Ltd.

We have examined the compliance of the conditions of Corporate Governance by Mohit Paper Mills Limited for the year ended 31st March, 2019, as per the relevant provisions of Securities and Exchange Board of India (Listing Obligations & Disclosures Requirements) Regulations, 2015 ("Listing Regulations") as referred to in Regulation 15(2) of the Listing Regulations (including any statutory modification(s) or enactment thereof for the time being in force).

The Compliance of conditions of Corporate Governance is the responsibility of the Management. Our examination has been limited to a review of the procedures and implementations thereof adopted by the Company for ensuring the compliance of conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, We certify that the Company has complied with the conditions of Corporate Governance as stipulated in the above-mentioned Listing Regulations, as applicable.

We further state that compliance is neither an assurance as to the future viability of the Company nor the efficacy or effectiveness with which the Management has conducted the affairs of the Company.

For PDS & CO. Company Secretaries

Prashant Kumar Balodia (Partner) Membership No. 6047 Certificate of Practice No. 6153

ANNEXURE(I)

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

The Board of Directors presents hereunder an analysis of performance of the Company for the year 2018-2019 and its outlook for the future. This outlook is based on current business environment which may vary due to future economic and other developments.

Industry Structure

The Indian Economy is estimated to have an increased growth rate with China. The agricultural and allied sector has recovered from decline in previous years. Lot of emphasis has been given by this Government on inclusive development with greater emphasis on development of Agriculture and Education Sector. This shall boost the Paper Industry.

The Industry is been recovering and getting along with the new GST regime and Demonetization done by the Government

GDP Growth rate is expected to be at 8%, growth in consumption of paper is expected to be at 8%.

At present the paper industry is facing crucial face, due to abnormal rise in cost of raw-materials, chemicals, consumables and power. The Prices of the Paper have shown improvement than previous years.

To be globally more competitive Indian paper industry needs the following:

-Sustained availability of good quality of raw material (forest based) and bulk import of waste paper to supplement the raw materials supplies.

- -Adequate modernization of the manufacturing facilities.
- -Improvement of Infrastructure
- -Quality Improvements and reduction in cost of production.
- -Import policy conductive for import of material, equipment, raw-materials and technology.

Opportunities

The potential of growth for the industry lies in development of the economy, rising literacy rates, consumerism and standard of living. All these factors are in a positive move in India at present, which gives a good picture to the scenario of paper industry.

With the increased focus on education and agriculture, the future of Indian Paper Industry looks good.

During the Year your Company have shown improvements in their Sales volume and Profit. It is under process of installation of Cholrine Di Oxide Plant by which the quality of the paper is likely to be improved and will be able to fetch good market position with better prices.

The Production of Poster Paper which was started in later part of the previous year has been running good.

Threats

The main cause of fall in the profitability of many Indian paper manufacturers can be attributed to the fall in rupee value, increased cost of raw material, fuel consumables etc.

Outlook

Measures of improvement for the paper industry:

- 1. Strong R& D for improving technology & automation.
- 2. Energy and Water should be used in a judicious way.
- 3. Effluent Standards should be improved by adopting green technologies.
- 4. Social Forestry methods should be used for improving the shortages in raw-material.
- 5. Specialized training should be imparted to enhance the skills and knowledge of man-power.

Performance

During the year Sales and other income have increased from ₹ 102.69 crores to ₹ 157.99 crores. Net Profit before tax increased from ₹ 138.81 Lakhs to ₹ 295.11 Lakhs. Consolidated Production have increased from 21,918.78 M.T. to 30,791.97 M.T.

During the year the company has achieved the optimum level of capacity utilization with respect to the manufacture of the writing printing and poster paper and it has been done due to the expertise of the Managing Director and the Technical staff. This is a good example of maximum utilization of the capacity with minimum of the resources.

There are no reportable Segments other than Paper (Writing and Printing and Poster Paper)

Internal Control System and Their Adequacy

Your Company possesses a good internal control system to ensure that all the assets are safe guarded and protected against the unauthorized use or disposition and that transactions are authorized recorded and reported correctly.

The Audit Committee of the Board of Directors review the internal control system and their adequacy from time to time.

Discussion of Financial Performance with respect to operational performance

The Financial Statements have been prepared in accordance with the requirements of the Companies Act, 2013 and applicable Indian Accounting Standards issued by the Institute of Chartered Accountants of India. The Management of Mohit Paper Mills Limited accepts the integrity and objectivity of these financial statements as well as the various estimates and judgments used therein. The Statement has been made on prudent basis and reflects in a true and fair manner.

Highlights for the year are as follows.

Particulars	For the year ended 31.03.2019	For the year ended 31.03.2018
Sales & Other Income	15749.26	10269.06
Profit before Interest, Depreciation and Tax	961.50	784.50

TWENTY SEVENTH ANNUAL REPORT 2018-2019

∓ in Lakha

Human Resources/Industrial Relations

Human resource is the best resource of all the resources because it is the one which can properly take advantage of the other resources.

It is the companies belief that Human Resources is the driving force towards progress and success of the company. The Company seek to motivate and retain its professionals by offering reasonable compensation and opportunity to grow in the organization. The total permanent employees strength of the company was 169 on 31st March, 2019. Industrial relations remain cordial during the year.

Cautionary Statement

Statements in the management discussion and analysis describing the Companies objectives, projections, estimates, expectations may be forward looking statements within the meaning of applicable securities laws and regulations. Actual results may differ from those expressed and implied. Important matters that effects the company's performance is the economic conditions of demand and supply and price conditions in the domestic and overseas market in which the Company operates, changes in the government regulations, tax laws and other statutes and other incidental factors.

Independent Auditor's Report

To The Members of Mohit Paper Mills Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of **Mohit Paper Mills Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2019, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to financial statements, including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019, its profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Description of Key Audit Matter

Procurement of raw materials and valuation of Inventories See Note 7 and 21 to the financial statements

The key audit matter	How the matter was addressed in our audit
We identified procurement of raw materials and valuation of inventories as a key audit matter because of the significance of the costs incurred during the year, related inventories as at the reporting date and the significant degree of management judgment involved in verification and valuation thereof.	 Evaluated the design and operating effectiveness of internal controls relating to procurement and inventory. We carried out a combination of procedures involving inquiry and observation, re-performance and inspection of evidence in respect of operation of these controls. We performed substantive testing by selecting samples of purchase transactions recorded during the year by verifying the underlying documents, i.e. supplier invoices, goods receipts notes etc. Observed inventory verification on a sample basis. Re-computed the closing rate of sample items of inventories to check whether the same are in line with the accounting policy of the Company. Obtained an understanding of the underlying data and estimates used for calculation of the yield ratio and compared the same with the previous years. We performed cut-off testing for samples of purchase transactions recorded before and after the financial year end date by comparing with relevant underlying documentation, which included supplier invoices, goods receipts notes etc. to assess whether the purchases were recognized in the correct period. We assessed manual journals posted by vendors to identify unusual items.

Other Information

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's management and Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and Statement of changes in equity of the Company in accordance with the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statement in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis
 of accounting and, based on the audit evidence obtained, whether a material

uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern

• Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.

2. As required by Section 143(3) of the Act, we report that:

- a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) the Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
- d) in our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015 as amended.
- e) on the basis of the written representations received from the directors of the Company as on March 31, 2019 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2019, from being appointed as a director in terms of Section 164(2) of the Act.
- f) with respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B" to this report. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has no pending litigations that would materially affect the financial position of the Company.
 - ii. The Company did not have any long-term contracts including derivative contracts; for which there were any material foreseeable losses.

- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- iv. The disclosures in the financial statements regarding holdings as well as dealings in specified bank notes during the period from 8 November 2016 to 30 December 2016 have not been made in these financial statements since they do not pertain to the financial year ended 31st March 2019.
- 3. With respect to the matter to be included in the Auditors' Report under section 197(16):

In our opinion and according to the information and explanations given to us, the remuneration paid by the company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) which are required to be commented upon by us.

ANNEXURE 'A' TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Mohit Paper Mills Ltd. of even date)

- i. (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
 - (b) The fixed assets were physically verified by the Management during the year in accordance with a regular program of verification which, in our opinion, provides for physical verification of all the fixed assets at reasonable intervals. As explained to us, no discrepancies were noticed on such verification.
 - (c) According to the information and explanations given to us, the records examined by us and based on the examination of the conveyance deeds provided to us, we report that, the title deeds, comprising all the immovable properties included in Property, Plant and Equipment are held in the name of the Company as at the balance sheet date.
- ii. The management has conducted physical verification of inventory at reasonable intervals during the year and no material discrepancies were noticed on such physical verification.
- iii. The Company has not granted any loans, secured or unsecured to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under section 189 of the Act. Therefore, the provisions of Clause 3(iii), (iii)(a), (iii)(b) and (iii)(c) of the said Order are not applicable to the Company.
- iv. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013 in respect of grant of loans, making investments and providing guarantees and securities, as applicable.
- v. The Company has not accepted deposits within the meaning of section 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as mentioned) during the year and does not have any unclaimed deposits as at March 31, 2019 and therefore, the provisions of the clause 3 (v) of the Order are not applicable to the Company.

- vi. We have broadly reviewed the books of account maintained by the company pursuant to the rules made by the Central Government for the maintenance of cost records under section 148(1) of the Companies Act, 2013, related to the manufacturing activities, and are of the opinion that prime facie, the specified accounts and records have been made and maintained. We have not, however, made a detailed examination of the same.
- vii. According to the information and explanations given to us, in respect of statutory dues:
 - a. The Company has been regular in depositing undisputed statutory dues including Provident Fund, Employees' State Insurance, Income-tax, Salestax, Service Tax, Goods and Services Tax, Custom Duty, Excise Duty, Value Added Tax, Cess and other material statutory dues applicable to it with the appropriate authorities.

According to the information and explanations given to us, no undisputed amounts payable in respect of Provident Fund, Employee' State Insurance, Income-tax, GST, Duty of customs and other material statutory dues were in arrears as at 31st March 2019 for a period of more than six months from the date they became payable.

The Company does not have liability in respect of Service tax, Duty of excise, Sales tax and Value added tax since effective 1st July 2017, these statutory dues has been subsumed into GST.

- According to the records of the Company and the information and explanations given to us, there were no disputed demands outstanding as at 31st March, 2019 for a period of more than six months from the date they became payable.
- viii. In our opinion and according to the information and explanations given to us, the Company has not defaulted in the repayment of loans or borrowings to financial institutions, banks and dues to Government.
- ix. The Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments) during the year. Term Loan of Rs. 6 crores raised during the year has been applied for the purposes for which those

are raised, and there is no delay or default in respect of repayment of the term loan.

- x. To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company or no material fraud on the Company by its officers or employees has been noticed or reported during the year.
- xi. In our opinion and according to the information and explanations given to us, the Company has paid/provided managerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Companies Act, 2013.
- xii. The Company is not a Nidhi Company and hence reporting under clause 3 (xii) of the Order is not applicable to the Company.
- xiii. Transactions with related parties have been disclosed in the Ind AS financial statements with details as prescribed by Indian Accounting Standard 24 "Related Party Transactions". These transactions are in compliance with Section 177 and Section 188 of Companies Act, 2013.
- xiv. During the year, the Company has not made any preferential allotment or private placement of shares or fully or partly paid convertible debentures and hence reporting under clause 3 (xiv) of the Order is not applicable to the Company.
- xv. In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its Directors or persons connected to its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- xvi. The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.

ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 (f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Mohit Paper Mills Ltd. of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub- section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Mohit Paper Mills Ltd. ("the Company") as of March 31, 2019 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Dated : 30th May, 2019

TWENTY SEVENTH ANNUAL REPORT 2018-2019

(74)

1. Corporate Information:

Mohit Paper Mills Limited (the 'Company' or 'MPML') is a public company incorporated under the provisions of the Companies Act 1956 with a CIN Number : L21093DL1992PLC116600, domiciled in India, with its registered office situated at 15A/13, Upper Ground Floor, East Patel Nagar, New Delhi – 110008, India. The equity shares are listed on the Bombay Stock Exchange ('BSE') in India. The company's business primarily consist of manufacture of Writing, Printing & Poster Paper and Soda Ash as by-product, mainly in the domestic market. The manufacturing facilities are situated in Bijnor, Uttar Pradesh.

2. Significant accounting policies

a. Basis of preparation of Financial Statements

(i) Statement of compliance

These financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 and (as amended) notified under Section 133 of the Companies Act, 2013 (the 'Act') and other relevant provisions of the Act.

(ii) Basis of measurement:

The financial statements have been prepared on a historical cost basis, except for certain financial instruments which are measured at fair values or amortised cost depending upon classification. Historical cost is generally based on the fair value of the consideration given in exchange of goods or services.

(iii) Functional and presentation currency

The functional currency of the Company is the Indian Rupee ('INR'). These financial statements are presented in Indian rupees. All amounts have been rounded-off to the nearest lakhs, upto two places of decimal, unless otherwise indicated.

(iv) Use of estimates and judgements

In preparing these financial statements, management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized prospectively.

Judgements

This note provides an overview of the areas that involved a higher degree of judgment or complexity, and items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and

judgments is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

The areas involving critical estimates or judgment are:

- Estimation of Defined benefit obligation refer Note No. 2 f
- Estimation of current tax expenses refer Note No. 2 g
- Useful life of Property, plant and equipment refer Note No. 2 b
- Valuation of Inventory refer Note No. 2 d
- Provisions and Accruals refer Note No. 2 q
- Contingencies refer Note No. 2 q

Fair value measurement

The Company measures financial instruments at fair value as per Ind AS 113 at each balance sheet date. For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability. There are no transfer between Level 1, level 2 and level 3 during the year ended 31st March 2018 and 31st March 2019.

b. Property, Plant and Equipment

i. Recognition and measurement

Items of property, plant and equipment are measured at cost, which includes capitalized borrowing costs, less accumulated depreciation and accumulated impairment losses, if any.

Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Any gain or loss on disposal of an item of property, plant and equipment is recognized in profit or loss.

ii. Depreciation

Depreciation is calculated on carrying value recognized as per previous GAAP of items of property, plant and equipment less their estimated residual values over their estimated useful lives using the writtendown method and is generally recognized in the statement of profit and loss. Freehold land is not depreciated.

Depreciation method, useful lives and residual values are reviewed at each financial year-end and adjusted if appropriate. Based on technical evaluation and consequent advice, the management believes that its estimates of useful lives best represent the period over which management expects to use these assets. Depreciation has been provided on written down value method over their estimated useful lives.

Depreciation on additions (disposals) is provided on a pro-rata basis i.e. from (up to) the date on which asset is ready for use (disposed off) if any.

iii. Reclassification to investment property

When the use of a property changes from owner-occupied to investment property, the property is reclassified as investment property at its carrying amount on the date of reclassification, if any. The company does not have any investment property as on the date of reporting.

c. Intangible assets

Intangible assets are initially measured at cost. These items of other intangible assets are subsequently measured at cost less accumulated amortization and accumulated impairment losses, if any. The company does not have intangible assets as on the date of reporting.

d. Inventories

All inventories are initially recorded at cost. Cost represents all cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Cost for the purpose of valuation is determined by using the weighted average cost, net of taxes and duties eligible for credit and discounts.

Raw materials, stores, consumables and spare parts

Raw materials, stores, consumables and spare parts held for use in the production of finished products are not written down below cost except in cases where material prices have declined and it is estimated that the cost of the finished products will exceed their net realizable value.

Work-in-process

All work-in-process are valued at cost which includes cost of inputs, net of taxes and duties eligible for credit and overheads up to the stage of completion.

Finished goods

Finished goods are measured at lower of cost which includes cost of inputs (net of taxes and duties eligible for credits) and overheads and net realizable value.

e. Impairment

i. Impairment of non-financial assets

The Company's non-financial assets, other than inventories and deferred tax assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

For impairment testing, assets that do not generate independent cash inflows are grouped together into cash-generating units (CGUs). Each CGU represents the smallest group of assets that generates cash inflows that are largely independent of the cash inflows of other assets or CGUs.

The recoverable amount of a CGU is determined based on asset's value in use. Value in use is based on the estimated future cash flows, discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the CGU (or the asset).

To determine impairment of a corporate asset (e.g. Corporate office building for providing support to various CGUs), recoverable amount is determined for the CGUs to which the corporate asset belongs.

An impairment loss is recognized if the carrying amount of an asset or CGU exceeds its estimated recoverable amount. Impairment losses are recognized in the statement of profit and loss.

ii. Impairment of financial instruments

The Company recognizes loss allowances for expected credit losses on financial assets measured at amortized cost.

At each reporting date, the Company assesses whether financial assets carried at amortized cost are credit-impaired. A financial asset is 'credit-impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

Evidence that a financial asset is credit-impaired includes the following observable data:

- significant financial difficulty of the borrower or issuer;
- a breach of contract such as a default or being past due for 365 days or more;
- it is probable that the borrower will enter bankruptcy or other financial reorganization;

Measurement of expected credit losses

Expected credit losses are a probability-weighted estimate of credit losses. Credit losses are measured as the present value of all cash shortfalls (i.e. the difference between the cash flows due to the Company in accordance with the contract and the cash flows that the company expects to receive).

Presentation of allowance for expected credit losses in the balance sheet and loss allowances for financial assets measured at amortized cost are deducted from the gross carrying amount of the assets.

Write-off

The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery. This is generally the case when the Company determines that the debtor does not have assets or sources of income that could generate sufficient cash flows to repay

the amounts subject to the write-off. However, financial assets that are written off could still be subject to enforcement activities in order to comply with the Company's procedures for recovery of amounts due.

f. Employee benefits

i. Short-term employee benefits

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided. A liability is recognized for the amount expected to be paid e.g. under short-term cash bonus / Ex-gratia, if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee, and the amount of obligation can be estimated reliably.

ii. Defined contribution plan

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. Obligations for contributions to defined contribution plans are recognized as an employee benefit expense in profit or loss in the periods during which the related services are rendered by employees.

iii. Defined benefit plan

The Company pays fixed contribution to provident fund at pre-determined rates to a separate irrevocable trust approved by the Commissioner of Income Tax, which invests the fund in permitted securities. The contribution to the fund for the period is recognized as expenses and is charged to Statement of Profit and Loss. While the obligation to the Company is limited to such fixed contribution, as per the rules of Employee's Provident Fund any deficiency in the rate of interest on the contribution based on its return on investment as compared to the rate declared for Employees Provident Fund by the Government. Also as per the rules, any deficiency in the fair value of Plan Assets backing the Provident Fund accumulations compared to the amount of such accumulations is to be met by the company.

Liabilities in respect of defined benefit plan in the form of Gratuity and Long-term compensated absences are determined based on actuarial valuation made by an independent actuary using projected unit credit method as at the balance sheet date and are unfunded.

Re-measurements of the net defined benefit liability, which comprise actuarial gains and losses are recognized in OCI.

g. Taxes on Income

Income tax comprises current and deferred tax. It is recognized in profit or loss except to the extent that it relates to an item recognized directly in equity or in other comprehensive income.

i. Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognized amounts, and it is intended to realize the asset and settle the liability on a net basis or simultaneously.

ii. Deferred tax

Deferred tax is recognized in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognized in respect of carried forward tax losses and tax credits.

Deferred tax assets are recognized to the extent that it is probable that future taxable profits will be available against which they can be used. The existence of unused tax losses is strong evidence that future taxable profit may not be available. Therefore, in case of a history of recent losses, the Company recognizes a deferred tax asset only to the extent that it has sufficient taxable temporary differences or there is convincing other evidence that sufficient taxable profit will be available against which such deferred tax asset can be realized. Deferred tax assets – unrecognized or recognized, are reviewed at each reporting date and are recognized/ reduced to the extent that it is probable/ no longer probable respectively that the related tax benefit will be realized.

Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realized or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Group expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realized simultaneously.

h. Foreign currency transactions

Transactions in foreign currencies are translated into the functional currency of the Company at the exchange rates at the date of the transaction.

Monetary assets and liabilities denominated in foreign currencies are translated into the functional currency at the exchange rate at the reporting date. Exchange differences are recognized in profit or loss,

except exchange differences arising from the translation of the qualifying cash flow hedges to the extent that the hedges are effective which are recognized in Other Comprehensive Income (OCI).

i. Financial instruments, Financial assets, Financial liabilities and Equity Instruments

Financial assets and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the relevant instrument and are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities measured at fair value through profit or loss) are added to or deducted from the fair value on initial recognition of financial assets or financial liabilities. Purchase or sale of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date when the Company commits to purchase or sell the asset.

(a) Financial Assets

Recognition:

All Financial assets include Investments, Trade Receivables, Advances, Security Deposits, Cash and Cash equivalents. Such assets are initially recognised at transaction price when the Company becomes party to contractual obligations. The transaction price includes transaction costs unless the asset is being fair valued through the Statement of Profit and Loss.

Classification: Management determines the classification of an asset at initial recognition depending on the purpose for which the assets were acquired. The subsequent measurement of financial assets depends on such classification.

Financial assets are classified as those measured at:

(i) amortised cost, where the financial assets are held solely for collection of cash flows arising from payments of principal and / or interest.

(ii) fair value through other comprehensive income (FVTOCI), where the financial assets are held not only for collection of cash flows arising from payments of principal and interest but also from the sale of such assets. Such assets are subsequently measured at fair value, with unrealised gains and losses arising from changes in the fair value being recognised in other comprehensive income.

(iii) fair value through profit or loss (FVTPL), where the assets are managed in accordance with an approved investment strategy that triggers purchase and sale decisions based on the fair value of such assets. Such assets are subsequently measured at fair value, with unrealised gains and losses arising from changes in the fair value being recognised in the Statement of Profit and Loss in the period in which they arise.

Trade Receivables, Advances, Security Deposits, Cash and Cash equivalents etc. are classified for measurement at amortised cost. In respect of particular investments in equity instruments that would otherwise be measured at fair value through profit or loss, an irrevocable election at initial recognition is made to present subsequent changes in fair value through other comprehensive income.

Impairment:

The Company assesses at each reporting date whether a financial asset (or a group of financial assets) such as investments, trade receivables, advances and security deposits held at amortised cost and financial assets that are measured at fair value through other comprehensive income are tested for impairment based on evidence or information that is available without undue cost or effort. Expected credit losses are assessed and loss allowances recognised if the credit quality of the financial asset has deteriorated significantly since initial recognition.

Reclassification:

When and only when the business model is changed, the Company shall reclassify all affected financial assets prospectively from the reclassification date as subsequently measured at amortised cost, fair value through other comprehensive income, fair value through profit or loss without restating the previously recognised gains, losses or interest and in terms of the reclassification principles laid down in the Ind AS relating to Financial Instruments.

De-recognition:

Financial assets are derecognised when the right to receive cash flows from the assets has expired, or has been transferred, and the Company has transferred substantially all of the risks and rewards of ownership. Concomitantly, if the asset is one that is measured at:

(a) amortised cost, the gain or loss is recognised in the Statement of Profit and Loss;

(b) fair value through other comprehensive income, the cumulative fair value adjustments previously taken to reserves are reclassified to the Statement of Profit and Loss unless the asset represents an equity investment in which case the cumulative fair value adjustments previously taken to reserves is reclassified within equity.

Income Recognition:

Interest income is recognised in the Statement of Profit and Loss using the effective interest method.

(b) Financial Liabilities

Borrowings, trade payables and other financial liabilities are initially recognised at the value of the respective contractual obligations. They are subsequently measured at amortised cost. Any discount or premium on redemption/settlement is recognised in the Statement of Profit and Loss as finance cost over the life of the liability using the effective interest method and adjusted to the liability figure disclosed in the Balance Sheet.

Financial liabilities are derecognised when the liability is extinguished, that is, when the contractual obligation is discharged, cancelled and on expiry.

Offsetting Financial Instruments

Financial assets and liabilities are offset and the net amount is included in the Balance Sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously.

Equity Instruments

Equity instruments are recognised at the value of the proceeds, net of direct costs of the capital issue.

j. Revenue

Revenue is measured at the fair value of the consideration received or receivable after netting trade discounts, volume discounts and sales returns. Revenue from sale of goods is recognized when significant risks and rewards have been transferred to buyer.

Liquidated damages and penalties recovered from suppliers/contractors, in relation to property, plant and equipment are credited to statement of profit and loss unless the delay has resulted in extra cost of assets, in which case the same are adjusted towards the carrying cost of the respective asset.

Disclosure under Ind AS 115

General:

The entire revenue from operations for the year ended 31st March 2019 and 31st March 2018 related to revenue from sale of goods manufactured by the Company.

Information about contract balances

The Company classifies the right to consideration as trade receivables.

Trade receivables are amounts billed to the customer, when control on goods sold are effectively passed on to the customers. Trade receivables is net of allowances for doubtful debts in the Balance Sheet.

Application of Ind AS 115, "Revenue from contract with customers" did not have any impact on the

contracts for sale of goods manufactured by the Company during the year ended 31st March 2019.

k. Recognition of interest income or expense

Interest income or expense is recognized using the effective interest method.

The 'effective interest rate' is the rate that exactly discounts estimated future cash payments or receipts through the expected life of the financial instrument to:

- i. the gross carrying amount of the financial asset; or
- ii. the amortized cost of the financial liability.

In calculating interest income and expense, the effective interest rate is applied to the gross carrying amount of the asset (when the asset is not credit-impaired) or to the amortized cost of the liability. However, for financial assets that have become credit-impaired subsequent to initial recognition, interest income is calculated by applying the effective interest rate to the amortized cost of the financial asset. If the asset is no longer credit-impaired, then the calculation of interest income reverts to the gross basis.

I. Other Income

Other income is recognised when no significant uncertainty as to its determination or realisation exists.

m. Borrowing cost

Borrowing costs are interest and other costs incurred in connection with the borrowing of fund. Borrowing costs directly attributable to acquisition or construction of an asset which necessarily take a substantial period of time to get ready for their intended use are capitalized as part of the cost of that asset. Other borrowing costs are recognized as an expense in the period in which they are incurred.

n. Cash flow statements

Cash flow statements are prepared under Indirect Method whereby profit or loss is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments, and items of income or expense associated with investing or financing cash flows. Cash and cash equivalents comprise of cash on hand, current and other accounts (including fixed deposits) held with banks with maturity of 3 months or less from the date of acquisition.

o. Events occurring after the balance sheet date

Assets and liabilities are adjusted for events occurring after the reporting period that provides additional evidence to assist the estimation of amounts relating to conditions existing at the end of the reporting period.

p. Operating segments

An operating segment is a component of the Company that engages in business activities from which it

may earn revenues and incur expenses, including revenues and expenses that relate to transactions with any of the Company's other components, and for which discrete financial information is available. All operating segments' operating results are reviewed regularly by the Company's Chief Operating Decision Maker (CODM) to make decisions about resources to be allocated to the segments and assess their performance.

The Company is primarily engaged in the business of manufacture and sales of paper, mainly in the domestic market.

The Board of directors of the Company, who have been identified as being the chief operating decision maker (CODM), evaluated the company's performance and allocated resources based on the analysis of various performance indicators of the Company as a single unit. Accordingly, there is no reportable segment or any entity wide disclosure which are applicable to the company.

q. Provisions, Contingent Liabilities and Contingent Assets

A provision is recognised if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. Where discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent Liabilities

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not require an outflow of resources. Where there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Disputes, liabilities and claims against the company including claims raised by fiscal authorities (e.g. Sales Tax, Income Tax, Excise etc.) pending in appeal / court for which no reliable estimated can be made and or involves uncertainty of the outcome of the amount of the obligation or which are remotely poised for crystallization are not provided for in accounts but disclosed in notes to accounts.

Contingent Assets

Contingent assets are not recognised in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognised in the period in which the change occurs.

r. Recent Accounting Pronouncements

Ministry of Corporate Affairs ("MCA") through Companies (Indian Accounting Standards) Amendment Rules, 2019 and Companies (Indian Accounting Standards) Second Amendment Rules, has notified the following new and amendments to Ind AS as follows:

Ind AS 116 - Leases

The Company is required to adopt Ind AS 116, Leases from 1 April, 2019, Ind AS 116 introduces a single, on-balance sheet lease accounting model for lessees. A lessee recognizes a right-of-use asset representing its right to use the underlying asset and a lease liability representing its obligation to make lease payments. There are recognition exemptions for short-term leases and leases of low-value items. Lessor accounting remains similar to the current standard – i.e. lessors continue to classify leases as finance or operating leases. It replaces existing leases guidance, Ind AS 17, Leases.

The Company does not have any finance leases. There are no instances in which the company is a lessor. The Management is in the process of assessing the impact on adoption of Ind AS 116 and does not expect the same to be significant.

Amendment to Ind AS 12 - Recognition of Deferred Tax Assets for Unrealized Losses

The amendments clarify that the Company needs to consider whether tax law restricts the sources of taxable profits against which it may make deductions on the reversal of that deductible temporary difference. Furthermore, the amendments provide guidance on how the Company should determine future taxable profits and explain the circumstances in which taxable profit may include the recovery of some assets for more than their carrying amount. Such amendment did not have any impact on the Company.

Ind AS 19 - Plan Amendment, Curtailment or Settlement

The amendments clarify that if a plan amendment, curtailment or settlement occurs, it is mandatory that the current service cost and the net interest for the period after the re-measurement are determined using the assumptions used for the re-measurement. In addition, amendments have been included to clarify the effect of a plan amendment, curtailment or settlement on the requirements regarding the asset ceiling. Company does not expect this amendment to have any impact on its financial statements.

Ind AS 109 – Prepayment Features with Negative Compensation

The amendments relate to the existing requirements in Ind AS 109 regarding termination rights in order to allow measurement at amortised cost (or, depending on the business model, at fair value through other comprehensive income) even in the case of negative compensation payments. Company does not expect this amendment to have any impact on its financial statements.

Ind AS 23 – Borrowing Costs

The amendments clarify that if any specific borrowing remains outstanding after the related asset is ready for its intended use or sale, that borrowing becomes part of the funds that any entity borrows generally when calculating the capitalization rate on general borrowings. The Company does not expect any significant impact from this amendment.

Amendment to Ind AS 20 Government grants related to non-monetary asset

The amendment clarifies that where the government grant related to asset, including non-monetary grant at fair value, shall be presented in balance sheet either by setting up the grant as deferred income or by

deducting the grant in arriving at the carrying amount of the asset. Prior to the amendment, Ind AS 20 did not allow the option to present asset related grant by deducting the grant from the carrying amount of the asset. Such amendment did not have any impact on the Company.

Amendment to Ind AS 38 Intangible asset acquired free of charge

The amendment clarifies that in some cases, an intangible asset may be acquired free of charge, or for nominal consideration, by way of a government grant. In accordance with Ind AS 20 Accounting for Government Grants and Disclosure of Government Assistance, an entity may choose to recognise both the intangible asset and the grant initially at fair value. If an entity chooses not to recognise the asset initially at fair value, the entity recognises the asset initially at a nominal amount plus any expenditure that is directly attributable to preparing the asset for its intended use. The amendment also clarifies that revaluation model can be applied for asset which is received as government grant and measured at nominal value. These amendments do not have any impact on the Company's financial statements.

Amendment to Ind AS 40 Transfers of Investment Property

The amendments clarify when an entity should transfer property, including property under construction or development into, or out of investment property. The amendments state that a change in use occurs when the property meets, or ceases to meet, the definition of investment property and there is evidence of the change in use. A mere change in management's intentions for the use of a property does not provide evidence of a change in use. These amendments do not have any impact on the Company's financial statements.

II. Fair value hierarchy

The following table provides an analysis of financial instruments that are measured at fair value and have been grouped into Level 1, Level 2 and Level 3 below:

				(₹ i	n Lakhs)
As at 31 March 2019	Note No	Level 1	Level 2	Level 3	Total
Financial Assets					
Financial instruments at FVTOCI Unquoted equity instruments	4	-	-	110.79	110.79
Total financial assets		_	-	110.79	110.79

- Level 1: Quoted prices in the active market. This level of hierarchy includes financial assets that are measured by reference to quoted prices in the active market. This category consists of debt based open ended mutual funds.
- Level 2: The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the counter derivatives) is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2. The company does not have any investments which are categorized as Level 2.
- Level 3: Valuation techniques with unobservable inputs. This level of hierarchy includes items measured using inputs that are not based on observable market data (unobservable inputs). Fair value determined in whole or in part, using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instruments nor based on available market data. This is the case for investment in unlisted equity securities.

Note:

- a. There are no transfers between Level 1, Level 2 and Level 3 during the year.
- b. The fair value of financial assets and liabilities approximate their carrying amount measured under Level 3 hierarchy.

The fair value of the financial assets are determined at the amount that would be received to sell an asset in an orderly transaction between market participants. The following methods and assumptions were used to estimate the fair values:

Unquoted equity investments: Fair value is derived on the basis of income approach; in this approach the discounted cash flow method is used to capture the present value of the expected future economic benefits to be derived from the ownership of these investments.

Reconciliation of Level 3	fair value measurement

III. Financial risk management

The Company's activities expose it to market risk, liquidity risk and credit risk. The Company's primary risk management focus is to minimize potential adverse effects of market risk on its financial performance. The Company's risk management assessment and policies and processes are established to identify and analyze the risks faced by the Company, to set appropriate risk limits and controls, and to monitor such risks and compliance with the same. Risk assessment and management policies and processes are reviewed regularly to reflect changes in market conditions and the Company's risk assessment and management policies. The Board of Directors and the Audit Committee is responsible for overseeing the Company's risk assessment and management policies and processes.

This note explains the sources of risk which the entity is exposed to and how the entity manages the risk in the financial statements: -

Risk	Exposure arising from	Measurement	Management
Credit risk	Cash and cash equivalents, trade receivables and financial assets measured at amortised cost	Aging analysis	Diversification of bank deposits and credit limits
Liquidity risk	Business commitment and other liabilities	Credit rating	Availability of committed credit lines and borrowing facilities

a. Concentration of significant credit risk

There is no concentration of customer risk so far transactions with non-related parties are concerned.

b. Interest rate risk

The Company's main interest rate risk arises from long-term borrowings with variable rates, which expose the Company to cash flow interest rate risk. Any rise in market rate of interest effecting valuation of financial instruments, financial assets and financial liabilities have been regularly analysed for mitigational measure.

Exposure to interest rate risk

The interest rate profile of the company's interest-bearing financial instruments as reported to the management is as follows.

(₹ in Lakhs)

Particulars		Nominal Amount
	31st March, 2019	31st March, 2018
Financial Assets/Liabilities		
Variable-rate instruments		
Long term borrowings	1149.74	779.85
Short Term Borrowings	2219.50	2089.66

or	loss
	or

Particulars	50 bp increase	50 bp decrease
31st March 2019		
Variable-rate instruments	14.96	(14.96)
31st March 2018		
Variable-rate instruments	12.61	(12.61)

Fair value sensitivity analysis for fixed-rate instruments

The Company does not account for any fixed-rate financial assets or financial liabilities at fair value through profit or loss.

Therefore, a change in interest rates at the reporting date would not affect profit or loss.

i) Risk management framework

The Company's board of directors has overall responsibility for the establishment and oversight of the company's risk management framework. The Company's risk management policies are established to identify and analyze the risks faced by the company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the company's activities.

The Company's audit committee oversees how management monitors compliance with the company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the company. The audit committee is assisted in its oversight role by internal audit. Internal audit undertakes both regular and ad-hoc reviews of risk management controls and procedures, the results of which are reported to the audit committee.

ii) Credit Risk

Credit risk is the risk of financial loss to the company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the company's receivables from customers and loans. The carrying amounts of financial assets represent the maximum credit risk exposure.

iii) Trade receivables and loans

The company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. However, management also considers the factors that may influence the credit risk of its customer base.

The company has established a credit policy under which each new customer is analyzed individually for creditworthiness before the company's standard payment and delivery terms and conditions are offered. Sale limits are established for each customer and reviewed quarterly. Any sales exceeding those limits require approval from the management of the company.

The company limits its exposure to credit risk from trade receivables by establishing a maximum payment period of 90 days for customers. More than 85% of the company's customers have been transacting with the company for over five years, and none of these customers' balances are credit-impaired at the reporting date.

iv) Cash and cash equivalents

The company holds cash and cash equivalents of ₹188.36 lakhs at 31 March 2019 (31 March 2018:₹58.17 lakhs). The cash and cash equivalents are held with bank and cash on hand.

v) Liquidity Risk

Liquidity risk is the risk that the company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the company's reputation. The company uses process costing to cost its products, which assists it in monitoring cash flow requirements and optimizing its cash return on investments.

vi) Market Risk

Market risk is the risk that changes in market prices – such as foreign exchange rates and interest rates – will affect the company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimizing the return.

vii) Currency Risk

The company is exposed to transactional foreign currency risk to the extent that there is a mismatch between the currencies in which sales, purchases, receivables and borrowings are denominated and functional currency. The functional currency of the Company is INR. The currencies in which these transactions are primarily denominated are US dollars.

The Company Forex risk management policy is to hedge currency exchange fluctuation and mitigate currency volatility and risks and to avoid uncertainties in cash flows. Forward contracts to hedge currency risk relating to foreign currency transactions of firm commitments and probable forecast transactions are generally designated as cash flow hedge. All other forward contracts are designated as fair value hedge for the purpose of accounting.
