# ANNEXURE(J) MANAGEMENT DISCUSSION AND ANALYSIS REPORT

The Board of Directors presents hereunder an analysis of performance of the Company for the year 2015-2016 and its outlook for the future. This outlook is based on current business environment which may vary due to future economic and other developments

### **Industry Structure**

The Paper Industry's growth might have come down from 6-8 percent five year ago to current level of 4-5 percent. It is believed by the experts that Paper Industry will bounce back. The growth drivers are population, increasing literacy rate, thrust on education, and GDP growth. With this certainly the demand curve is going to be continuously upwards. As per available statistics, the paper industry has spent about Rs.25,000 crores in last 5 years, almost all businesses in the country have invested funds. To match the further requirement, the industry have to further invest about Rs.90,000 crores more in next 10 years.

The Paper Industry present and future are all linked with the growth of the economy. The growth of the economy is shifting from West to the East from the North to the South. It is the Asian countries which are holding the key and by all mean the whole of India is expected to do well along with China.

Even on the environment side, paper scores high over e-media. Paper is bio degradable, whereas to manage the e-waste has become a big head-ache. Credentials of Paper are very high when compared with e-media.

Government has shown lot of hope despite the global slow-down in the Indian Economy. And Finance Minister have given a budget,

showing more emphasis on agriculture and rural development. These steps of Government will help the Paper Industry also in the long run.

An enabling policy framework is also required on the part of the Government so that raw material is available at competitive price and the domestic industry is protected against cheap imports of paper.

### **Opportunities**

World's economic centre of gravity is shifting from West to East. India with its fast rise in consumption of paper is at an advantageous position to make the most of the opportunity offered by changing economic order.

Your Company is always in search of such opportunities and is in the process of increasing its capacity and quality improvement.

Your Company is constantly seeing the opportunities of improvement and on this front have commissioned Bio Gas Digestor Plant which will utilize the waste and convert it into gas which will be utilized for Boiler. It will also reduce the expenditure in procuring fuel and also is environmental friendly.

The Company is in the process of installing and commissioning of Re-causticizing Plant. This plant will convert soda ash into sodium hydroxide i.e. caustic soda. This can be reused for bagasse cooking in the continuous digester. Caustic soda is the costly chemical which will be recovered & reused for viable economic reason.

**Threats** 

The first and foremost challenge is the shortfall of the raw material as there is no adequate pulp-wood available in the country to meet the growth needs of the industry. The dependence on recycled fiber is increasing due to inadequate availability of conventional fibre.

The main cause of fall in the profitability of many Indian paper manufacturers can be attributed to the fall in rupee value, increased cost of raw material, fuel consumables and import policy.

### Outlook

Measures of improvement for the paper industry:

- 1. Strong R& D for improving technology & automation.
- 2. Energy and Water should be used in a judicious way.
- 3. Effluent Standards should be improved by adopting green technologies.
- 4. Social Forestry methods should be used for improving the shortages in raw-material.
- 5. Specialized training should be imparted to enhance the skills and knowledge of man-power.

### **Segment wise Performance**

During the year the company has achieved the good level of capacity utilization with respect to the manufacture of the paper and it was done due to the expertise of the Managing Director and the Technical staff. This is a good example of proper utilization of the capacity with minimum of the resources.

Your Company have produced 20421.82 M.T. of paper as against 18783.25 M.T. for the previous year.

The Company have also produced 6584.350 M.T. of Soda Ash as against 5405.350 M.T. which is another segment.

### **Internal Control System and Their Adequacy**

Your Company possesses a good internal control system to ensure that all the assets are safe guarded and protected against the unauthorized use or disposition and that transactions are authorized recorded and reported correctly.

The Audit Committee of the Board of Directors review the internal control system and their adequacy from time to

### Discussion of Financial Performance with respect to operational performance

The Financial Statements have been prepared in accordance with the requirements of the Companies Act, 2013 and applicable Accounting Standards issued by the Institute of Chartered Accountants of India. The Management of Mohit Paper Mills Limited accepts the integrity and objectivity of these financial statements as well as the various estimates and judgments used therein. Highlights for the year are as follows.

Particulars	Amount (In lacs ₹ )
Sales & Other Income	10237.53
Profit before Interest, Depreciation and Tax	738.34

### **Human Resources/Industrial Relations**

Human resource is the best resource of all the resources because it is the one which can properly take advantage of the other resources.

It is the Companies belief that Human Resources is the driving force towards progress and success of the company. The Company seek to motivate and retain its professionals by offering reasonable compensation and opportunity to grow in the organization. The total permanent employees strength of the company was 134 on 31<sup>st</sup> March, 2016. Industrial relations remain cordial during the year.

### **Cautionary Statement**

Statements in the management discussion and analysis describing the Companies objectives, projections, estimates, expectations may be forward looking statements within the meaning of applicable securities laws and regulations. Actual results may differ from those expressed and implied. Important matters that effects the company's performance is the economic conditions of demand and supply and price conditions in the domestic and overseas market in which the Company operates, changes in the government regulations, tax laws and other statutes and other incidental factors.

# **Independent Auditor's Report**

# To the Members of Mohit Paper Mills Limited Report on the Financial Statements

We have audited the accompanying financial statements of Mohit Paper Mills Limited ("the Company"), which comprise the Balance Sheet as at 31 March 2016, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

### Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

### Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2016 and its profit and its cash flows for the year ended on that date.

The Annexure referred to in Independent Auditors' Report to the members of the Company on the financial statements for the year ended 31 March 2016, we report that:

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
  - (b) The Company has a regular program of physical verification of its fixed assets. In accordance with this program, fixed assets were verified during the year and no material discrepancies were noticed on such verification. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets.
  - (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company.
- (ii) (a) As explained to us, the inventories have been physically verified at reasonable intervals by the management.
  - (b) In our opinion and according to the information and explanation given to us, the procedure of physical verification of inventories followed by the management are reasonable and adequate in relation to the size of the company and the nature of its business.
  - (c) In our opinion and according to the information and explanation given to us, the company is maintaining proper records of its inventories and no material discrepancies were noticed on such physical verification.
- (iii) (a) The Company has not granted any loans, secured or unsecured to companies, firms or other parties covered in the register maintained under section 189 of the Companies Act, 2013, and therefore, the provisions of clauses (iii) (a), (b) and (c) of paragraph 3 of the Companies (Auditor's Report) Order, 2016 are not applicable to the Company.
- (iv) In our opinion and according to the information and explanations given to us, there are no loans, investments, guarantees, and securities granted in respect of which provisions of Section 185 and 186 of the Act are applicable and hence not commented upon.
- (v) The Company has not accepted any deposits from the public.
- (vi) We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014, prescribed by the Central Government under sub-section (1) of Section 148 of the Companies Act, 2013, and are of opinion that, prima facie, the prescribed cost records have been made and maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- (vii) (a) According to the records of the Company and information and explanations given to us, the Company is regular in depositing with appropriate authorities undisputed statutory dues including Provident Fund, Employee State Insurance, Income-tax, Sales-tax, Wealth Tax, Service Tax, Duty of Custom, Duty of Excise, Value Added Tax, Cess and any other statutory dues with the appropriate authorities and we have been informed that no arrears of undisputed statutory dues outstanding as at the last day of the financial year under audit for a period of more than six months from the date they become payable.
  - (b) According to the records of the Company and the information and explanations given to us, there were no disputed demands outstanding as at 31<sup>st</sup> March, 2016 for a period of more than six months from the date they became payable.

- (viii) In our opinion and according to the information and explanations given to us, the Company has not defaulted in the repayment of loans or borrowings to financial institutions, banks and dues to Government.
- (ix) The Company did not raise any money by way of initial public offer or further public offer (including debt instruments) and term loans during the year. Accordingly, paragraph 3 (ix) of the Order is not applicable.
- (x) According to the information and explanations given to us, no material fraud by the Company or on the Company by its officers or employees has been noticed or reported during the course of our audit.
- (xi) According to the information and explanations give to us and based on our examination of the records of the Company, the Company has paid/provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Companies Act, 2013.
- (xii) In our opinion and according to the information and explanations given to us, the Company is not a nidhi company. Accordingly, paragraph 3(xii) of the Order is not applicable.
- (xiii) According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- (xiv) According to the information and explanations give to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year.
- (xv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with him. Accordingly, paragraph 3(xv) of the Order is not applicable.
- (xvi) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act 1934.

### "Annexure - B" to the Auditors' Report

# Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the Internal Financial Controls over financial reporting of Mohit Paper Mills Limited ("the Company") as of 31 March 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

### Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining Internal Financial Controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's Internal Financial Controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of Internal Financial Controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of Internal Financial Controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's Internal Financial Controls system over financial reporting.

### Meaning of Internal Financial Controls over Financial Reporting

A company's Internal Financial Controls over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's Internal Financial Controls over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material impact on the financial statements.

### Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of Internal Financial Controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the Internal Financial Controls over financial reporting to future periods are subject to the risk that the Internal Financial Controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

### B. SIGNIFICANT ACCOUNTING POLICIES

### (1) BASIS OF PREPARATION OF FINANCIAL STATEMENTS

The financial statements are prepared under the historic cost convention on the "Accrual Concept" of accountancy in accordance with the accounting principles generally accepted in India and they comply with the Accounting Standards prescribed under section 133 of the Companies Act,2013 read with Rule 7 of the Companies [Accounts] Rules, 2014 and other pronouncements issued by the Institute of Chartered Accountants of India (ICAI), the extent applicable, and with the applicable provisions of the Companies Act, 2013.

### (2) USE OF ESTIMATES

The preparation of Financial Statements in conformity with the Accounting Standards generally accepted in India requires, the management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities as at the dated of the financial statements and reported amounts of revenues and expenses for the year while actual results could differ from these estimates. Any revision to accounting estimates is recognized prospectively in current and future periods.

### (3) FIXED ASSETS

Fixed Assets are stated at cost, net of credit availed in respect of any taxes, duties less accumulated depreciation. Cost comprises of the purchase price and any attributable cost of bringing the asset to its working condition for its intended use. Financing costs relating to acquisition of fixed assets which takes substantial period of time to get ready for intended use are also included to the extent they relate to the period up to such assets are ready for their intended use. Expenditure directly relating to construction/erection activity is capitalized. Indirect expenditure incurred during construction period is capitalized as part of the construction or is incidental thereto.

### (4) REVALUATION OF ASSETS

As and when fixed assets were revalued on 31.03.1996, the increase in Net Book Value on such Fixed Assets arising on re-valuation, was transferred to Revaluation Reserve. Depreciation on such revalued assets over the unexpired useful life of such fixed assets has been accounted in the Statement of Profit & Loss. The amount standing to the credit of revaluation reserve on account of revalued assets shall be transferred to General Reserve upon their retirement / de-recognition.

The Company, at each Balance Sheet date, assesses whether there is any indication of impairment of any asset and/or cash generating unit. If such indication exists, assets are impaired by comparing carrying amount of each asset and/or cash generating unit to the recoverable amount being higher of the net selling price or value in use. Value in use is determined from the present value of the estimated future cash flows from the continuing use of the assets.

### (6) DEPRECIATION

Depreciation on tangible assets is provided to the extent of depreciable amount on Written Down Value method as specified in Part C of Schedule II of Companies Act, 2013. Depreciation is provided on useful life of the assets as technically assessed.

### (7) REVENUE RECOGNITION

- a. Revenue from sale of goods is recognized when significant risks and rewards of ownership of the goods have been passed on to the buyer.
- **b.** Revenue in respect of other income is recognized when no significant uncertainty as to its determination or realization exists.

### (8) INVESTMENTS

The investments being long-term investments are valued at cost, after providing for any diminution in value, if such diminution is of a permanent nature.

### (9) FOREIGN CURRENCY TRANSACTIONS

- Foreign currency transactions are recorded on initial recognition at the rate prevailing on the date of the transactions.
- ii) Foreign currency monetary items are reported using the closing rate. Exchange difference arising on the settlement of monetary items or on reporting the same at the closing rate as at the balance sheet date are recognized as income or expenses in the period in which they arise except in case of liabilities incurred for the purpose of acquiring the fixed assets from outside India in which case such exchange differences are adjusted in the carrying amount of fixed assets.

### (10) INVENTORIES

The Company has valued its inventories at lower of "cost or net realizable value". Further, the valuation of inventory is inclusive of Excise Duty component wherever applicable as required u/s 145A of the Income Tax Act, 1961.

Cost for the purposes of inventory valuation is calculated as follows:

- i) Raw Materials and other materials at weighted average cost.
- ii) Store Spares and loose tools at Cost on FIFO basis.
- iii) Work in process Material Cost plus appropriate share of labour and overheads.
- iv) Finished Goods Cost is determined by taking material, labour and related factory overheads including depreciation and fixed production overheads which are apportioned on the basis of normal capacity.

### (11) EXCISE DUTY

Excise Duty has been accounted on the basis of payments made in respect of goods cleared, as also provision for goods lying in store room wherever applicable.

### (12) SALES & STOCKS

Sales are recorded on the basis of dispatches till the last day of the year. Sales are accounted for inclusive of excise duty, trade tax & sales tax. Closing Stocks of finished goods and semi-finished goods are accounted for inclusive of Excise Duty.

### (13) BORROWING COST

Interest and other costs in connection with the borrowing of funds to the extent related / attributed to the acquisition / consumption of qualifying fixed assets are capitalized up to the date when such assets are ready for intended use and other borrowing costs are charged to Statement of Profit & Loss.

### (14) PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

Provisions involving a substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent Liabilities are not provided for and are disclosed separately by way of Notes to the Accounts. Contingent Assets are neither recognized nor disclosed in the Financial Statements.

### (15) TAXES ON INCOME

- a. Tax expenses comprise of current and deferred tax.
- **b.** Current tax is measured at the amount expected to be paid on the basis of relief and deductions available in accordance with the provisions of the Income Tax Act, 1961.

Deferred tax reflects the impact of current year timing differences between accounting and taxable income, and reversal of timing differences of earlier years. Deferred tax is measured based on tax rates and laws that have been enacted or substantively enacted as of the balance sheet date. Deferred tax assets are recognized only to the extent there is virtual certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized and are reviewed at each balance sheet date.

#### 23(i) RETIREMENT BENEFITS

The Company has adopted the Revised Accounting Standard-15 (Revised-2005) 'Employee Benefits'. The relevant policies are:

#### **Short Term Employee Benefits**

Short term employee benefits are, recognized in the period during which the services have been rendered.

#### Long Term Employee Benefits

a) Defined Contribution plan

#### (i) Provident Fund Scheme

Contribution to this scheme are expensed in the Statement of Profit & Loss.

These contribution are made to the fund administered and managed by the Government of India. The Company has no further obligations under these plans beyond its monthly contribution.

#### (ii) Gratuity

Group Gratuity cum Life Assurance Scheme with the Life Insurance Corporation of India has been taken in such a way that the gratuity benefits will be payable under an irrevocable trust. The trustees appointed for the purpose of administrating the Scheme shall insure gratuity benefits with the LIC. The Company shall pay to the trustees such contributions as are required to secure Gratuity benefits to the employees which will include the liberalized death cover to the employees.

The employees gratuity fund scheme managed by the Life Insurance Corporation of India is a defined benefit plan. The present value of obligation is determined based on actuarial valuation using the Projected Unit Credit Method, which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.

#### **DEFINED BENEFIT PLAN**

#### **Actuarial Assumptions**

Mortality Rate - Indian Assured Lives Mortality Table

Discount Rate - 8% p.a. Interest Rate - 9% Salary Escalation - 7%

Withdrawal Rate - 1% to 3% depending on age

#### **Gratuity Plan:**
